January, 2010

To Whom It May Concern,

The Illinois Coalition for School Health Centers (ICSHC), a project of the Illinois Maternal and Child Health Coalition, is excited to announce our 8th Annual School Health Center Conference focused on mental health collaborations in schools. This year's conference, *Building Bridges: Healthy Minds, Bodies, Communities* will be held May 14, 2010 in Springfield, Illinois at the Hilton Springfield. **We would like to invite your organization to exhibit at this year's conference; by exhibiting at this event you'll have the opportunity to showcase your products and services to school health center staff and allies from around Illinois.**

ICSHC strives to improve the physical and mental health of children and adolescents in Illinois by fostering the development, stabilization and expansion of school health centers (SHCs). School health centers provide an effective model of care tailored to offer quality, comprehensive, and culturally competent services to disadvantaged youth. *Building Bridges: Healthy Minds, Bodies, Communities* explores the importance of collaboration in school health centers to address the physical and mental health needs of children and adolescents. Our conference will attract a variety of professionals, from healthcare providers and mental health specialists, to hospital administrators that determine services at SHCs.

As an exhibitor, you will have the opportunity to showcase your products and services to stakeholders in child and adolescent health from across Illinois. **The exhibit area will be located in a high traffic area where the registration and information booths are located and breaks are held. Along with being featured during the evening reception on May 13th, your organization's information will be included in our conference materials.**

We would be excited to have you exhibit at this event. The exhibitor charge is \$350 and the non-profit exhibitor charge is \$100. Please return the enclosed registration form by February 5, 2010. Space is limited, so please respond as soon as possible. Enclosed is a copy of the ICSHC brochure for additional information. If you have any further questions, please do not hesitate to contact Conor Butkus at 312-491-8161, x28 or cbutkus@ilmaternal.org.

Sincerely,

Divya Mohan Little
Project Director
